March 16, 2022 -

Pensacola, Fla. ? Eddie Hill, the owner of Award Masters Inc., a provider of ceremonial awards in Pensacola, FL, traveled to Las Vegas, Nevada last month for the International Awards and Personalization Expo.

The International Awards & Personalization Expo, organized by the Awards and Personalization Association (APA), took place from February 22 - 25 at the Paris Las Vegas Hotel & Casino. The main goal of the expo was to provide both retailers and suppliers with personal networking possibilities, industry-specific educational sessions, and the chance to view new products.

?The 2022 International Expo was crucial to awards and personalization retailers and suppliers and reaffirmed the extraordinary level of connection among our attendees. We were glad to provide industry-leading education sessions and a place for industry professionals to meet face-to-face at Paris Las Vegas,? according to the APA website.

Eddie Hill was thrilled to attend the expo again in 2022. ?It?s great to be back at the show in Las Vegas and see all of my friends and mentors. It?s an honor to rub shoulders and mastermind with legends in the recognition and personalization industry. It?s also a great opportunity to talk with our suppliers and strategically plan the rest of the year. At the bar, I think we solved all our industry?s problems. However, we created two new ones. All in all, it was a very successful show.?
