

Local Residential Painting Company Highly Recommends Cabinet Refinishing for SC Homeowners

March 18, 2022

March 18, 2022 -
Bluffton, SC - Professional Painters of Hilton Head, a locally owned and operated home painting business, recommends their top-rated cabinet refinishing services in South Carolina.

The painting firm is assisting homeowners of Hilton Head in refinishing their cabinets. Professional Painters of Hilton Head recommends this service to its consumers in lieu of a complete makeover. According to the painting firm, there are various advantages to refurbishing vintage cabinets at home.

Purchasing new cabinets is costly and time-consuming. However, with refinishing or painting, they can complete the project in a matter of days without depleting their client's funds. Thus, cabinet refinishing is the most cost-effective choice for homeowners.

Convenience is another element to consider when it comes to cabinet refinishing. Remodeling might take many days, if not weeks. On the other side, painting or refinishing takes less time, allowing customers to

reclaim their space more quickly. Additionally, refinished cabinets add value to the house. Since it takes less time and costs less, homeowners who list their property for sale may almost certainly expect a higher investment return.

"If your existing kitchen cabinets are functioning, traditional cabinet restoration is a superior alternative. We can resurrect any cabinet and leave it looking brand new when we're through," they assert.

Meanwhile, Professional Painters of Hilton Head specializes in a variety of services in addition to Hilton Head Classic Cabinet Refinishing. They specialize in painting kitchen cabinets, cabinet refacing, and custom-painted finishes. Additionally, the business manages various residential and commercial painting projects in Hilton Head.

According to the painting contractor, they are focused on two things: excellent work and service. They are passionate about what they do, and it shows. "We aim to ensure that every project, whether residential or commercial, is definitely 5-star quality," they continued.

Professional Painters of Hilton Head provides a free quote for all of their services as a courtesy to their clients. Additionally, they provide discounts to seniors, teachers, police officers, and current military personnel. The neighborhood painting contractor also provides a two-year guarantee on all its painting services. All labor and materials are guaranteed for two years on two-coat work, but not deck flooring. In addition, Professional Painters of Hilton Head will provide labor and supplies to repair failed paint.
