

Crestview Debt Relief Lawyers Discuss Launch of New Bankruptcy Analytics Platform

March 18, 2022

March 18, 2022 - PRESSADVANTAGE -

Crestview, Fla. ? Lewis and Jurnovoy, local debt relief attorneys, are dedicated to keeping their community up to date on the latest bankruptcy information. With that being said, the attorneys are here to discuss the launch of a new market analytics platform called Epiq Bankruptcy Analytics, which provides daily bankruptcy filing information to both bankruptcy and legal professionals.

The platform was created by the bankruptcy division of Epiq, which is a leading provider of technology-enabled services to the business and legal sectors, taking on enormous projects for law firms, corporate counsel, etc. Epiq Bankruptcy Analytics houses filing information from 93 bankruptcy courts across the nation stretching back to 2007.

It is a cloud-based software that combines third-party data with proprietary bankruptcy analytics to provide industry-leading information on adversarial proceedings, disposition metrics, and case outcomes for many chapters, states, and court systems.

According to Epiq, visibility into this rich bankruptcy dataset enables attorneys, creditors, investors, and other professionals in the bankruptcy industry a competitive advantage and allows them to make better decisions to grow their business. Users can monitor daily bankruptcy case counts by state, court, time, or geography to determine if filing metrics are increasing or decreasing. Users can right-size their business and budgets more effectively by leveraging historical data to identify data trends for predictive analysis by analyzing case disposition and duration metrics.?

Lewis and Jurnovoy have been providing debt relief and bankruptcy assistance in Crestview and the rest of the Florida panhandle since 1998 and are dedicated to keeping their community informed. The trusted bankruptcy attorneys offer free consultations to help determine the best option for each client.
