Potential Milestone College students and families will have the opportunity to see the classrooms and get a sneak peek at one of the classes, as well as learn more about how the partnership between Milestone Church and ORU will affect applications and education. Breakfast and lunch will also be provided for those who attend.

Milestone College will receive hundreds of hands-on hours of experience, learning on-the-job ministry application alongside their academic courses. Milestone College also offers career counseling, personal coaching, and academic assistance to all of its students to give each graduate has opportunity and understanding of where they want to go with their degree. The College offers 5 areas of study: Worship, Growth Track, Youth, Creative, and Missions and Events.
