Aircare International Announces Upcoming Flight Attendant & Flight Technician Summit (FAFTS)

March 30, 2022

March 30, 2022 - PRESSADVANTAGE -

Tacoma, Washington ? Aircare International is pleased to announce its inaugural Flight Attendant & Flight Technician Summit (FAFTS), a two-day conference full of insightful content and networking opportunities for business aviation professionals of all experience levels. FAFTS is scheduled to take place Wednesday to Thursday, April 6-7, 2022, in the Marina Del Ray Marriott Hotel in Los Angeles. The cost of registration is \$120, includes 3 meals with purchase, and is available immediately through the FAFTS 2022 site.

Those that attend the summit can expect a multitude of short and long-term benefits, including first-class industry knowledge through both the presenters and the others in attendance. Registrants can also anticipate multiple networking opportunities between class sessions and at the various events that are held throughout the two-day summit. The summit is also attended by staffing companies that serve business aviation, which is yet another opportunity for attendees to gain exposure, rapport, and familiarity with those providing contract work for corporate flight attendants. Also showcased will be several companies that specialize in the inflight catering experience. Aircare recognizes the power of this network and is proud to offer those within the industry a forum for which to sharpen skills, deepen relationships, and hone professionalism that will benefit

all who participate.

Those that would like more information on the April 6th and 7th Flight Attendant and Flight Technician Summit (FAFTS) can contact Aircare International by phone, email, or can refer to the company website. The Marina del Rey Marriott where the summit is being hosted is located at 4100 Admiralty Way, Marina del Rey, CA 90292.

Aircare International specializes in medical, safety and emergency-related training, services and products for business aviation. Aircare International products include Aircare FACTS® Training for crewmember and passenger emergency procedures training; Aircare Crews® Staffing, providing a staffing solution for pilots and flight attendants and Aircare Access® Assistance, providing 24-7-365 telemedicine and support services. We are the only company in the industry that can provide such a comprehensive suite of products and services. Our training and safety products are constantly evolving to complement and improve a flight operation's safety culture. For more information visit aircareinternational.com.
