DumpIt.Biz is a local, family-owned, and operated waste removal provider serving the greater Lafayette area and surrounding parishes of Louisiana with over 20 years of experience in the waste removal industry. Along with dumpsters and roll-off containers, the company also provides on-demand portable toilet and concrete washout services. Its porta-potty rentals include standard portable restrooms, graded flushing restrooms, ADA accessible portable toilets, and more. Its concrete washout services are self-contained, watertight, and portable roll-off bins that exceed US EPA, State EPA, and Regional guidelines. The company says that it is also fully licensed and insured to serve all residential and commercial waste removal needs, ensuring that its clients can hire the company without fear of any surprise exorbitant expenses.

A spokesperson for the company talks about the quality of the services it offers to residents in and near Lafayette by saying, ?Whether you are a DIYer working on a home improvement project or a professional contractor with obligations to a client, you want your construction, demolition, or waste cleaning task to go as smooth as possible. You don?t want to be scurrying around looking for a good place to dump waste while you try to focus on the main task at hand. The ideal solution is to rent a dumpster that can be used to keep your waste organized and have it rolled away by professionals when you are done with it. DumpIt.Biz has been providing these exact services in Lafayette, LA for a long time now. We use GPS locators in our vehicles to ensure on-time delivery. Our skilled drivers are certified to work in construction, corporate events, weddings, concerts, disaster relief, and more and will transport our clean, functional, and reliable dumpsters on time without damaging your property.?

The company provides a wide range of dumpsters based on the purpose they are designed to serve. The company offers 10-yard, 15-yard, 20-yard, 30-yard, and 40-yard dumpsters for construction and demolition as well as mixed waste loading. The company also offers a 14-yard concrete dumpster, 14-yard dirt dumpster, and 14-yard shingles dumpster. All the dumpsters can be rented out for 14 days for the base price with the company charging $15 per additional day of rental. The weight included in the base price varies for each dumpster and customers can ask the company for a definite answer based on the dumpster they order.
