March 23, 2022

March 23, 2022 - PRESSADVANTAGE -

March 2022: Invest In Weed releases an online guide that explains how to get started in the marijuana industry. The article, published on Invest In Weed's website, was produced by the company's experts. The guide was released to aid anyone looking for ways to start their career in the marijuana industry by providing essential tips on getting started.

More and more jobs are emerging in the legal cannabis industry as more and more states legalize medical and recreational marijuana. In the industry booming, Americans spent nearly \$25 billion on cannabis products in 2021, as the budding industry expanded by about 33 percent, adding more than 107,000 new jobs, and according to a report from MJBizDaily, is expected to reach upwards of \$160 billion in 2025. This guide was designed to provide key tips on getting started in the marijuana industry.

According to Invest In Weed, their experts conducted thorough market research to compile the guide. The publication aimed to simplify how to make a career in the legal marijuana industry by guiding readers through key pieces of advice from experts. The guide explained various aspects of the marijuana business, from preparing for the job interview to increasing knowledge and improving skills to give a clear understanding of

what it takes to make it in the business. Readers can find the full guide by visiting their page: <https://www.investinweed.com/looking-for-a-marijuana-industry-career-here-is-how-to-get-ready/>.

Since the launch of their site, Invest In Weed has provided online resources and detailed research, reviews, analyses, and guides to inform readers about all the tools and knowledge needed to make it in the cannabis industry. The guide was published as part of their regular research on cannabis careers.

"We hope to simplify the process for people job searching in this emerging industry through this guide," said the Invest In Weed Team. They believe in providing readers with all the knowledge, news, and recent happenings from the cannabis world so they can make their way in the legal marijuana sector.

In its effort to help cannabis investors, entrepreneurs, and companies, Invest In Weed offers advice, aids, and practical tips on financial, biomedical, retail, cultivation, labs/testing facilities, technology, supplies, logistics & distribution, research, and patents, and politics. It also discusses the industry's financial aspects, including news, trends, stock index, and other details about investing in the cannabis business.
