These include the fact that they are: family owned and operated; offer of the safest and cleanest party rental equipment in Delaware; exceptional customer service; and provision of best stay-at-home fun.

Kids love bounce houses because these are places where they can let go because parents tend to limit the amount of jumping around that children do for fear that they might hurt themselves. When kids go inside a

bounce house, the restrictions get lifted and the kids can jump around as much as they want. And while adults just want to rest, kids are so full of energy that they hate sleeping and resting. With bounce houses, the children can expend a lot of their energy with parents not having to worry about their getting hurt.

They want to point out that one of best ways to have fun this summer is through bounce houses. There are a number of available options, such as the: Bounce Castle; Frozen Bounce House; Disney Mickey and Friends bounce house; Sponge Bob bounce house; and Disney Princess bounce house. Available water slides include the: Water Slide Slippery Slide; USA Boxing Slide; Ice Pops Water Slide; Melting Arctic Water Slide; 5 in 1 combo; I?mperfectly 19 Ft Slide; and Thunder 19 Ft Slide.

Also available through Jaydens Party Rentals are Bounce & Slide combo rentals for children who want to have fun all day. Their available bounce and slide combo bounce houses in Delaware offer a range of fun activities to be done in one bounce house. These include a bounce area, slide, basketball hoop, and easy to climb wall. Party game equipment are also available. One example is the Giant Connect 4 game, which is a large version of the two-player connection board game where the players choose colors and take turns in dropping colored tokens into a six-row, seven-column vertically suspended grid. The first player to form a vertical, horizontal, or diagonal line of four of one?s tokens wins the game. Another game equipment available is the corn hole board. This is a lawn game in which two teams of players compete. The players take turns in throwing 16-ounce bean bags at the corn hole board with a hole in the far end. If the player manages to let a bag go through the hole, the score is 3 points, while a bag on the board gets 1 point. The first team to reach or exceed the score of 21 wins.

And, of course, Jaydens Party Rentals also provides rentals for tents, tables and chairs for parties and other special events. These include the: 20 x 40 tent; 20 x 20 high peak frame tent; 20 x 20 tent; 6 x 3 tables; and chairs.
