Based in Omaha, but with an executive team from all over the U.S. Mighty Dog Roofing is expanding quickly throughout the country wherever their decades of experience in high-quality roofing and home improvement services are needed.

This news comes in the wake of many recent openings in the company, including locations in:

- Greenville, SC

- Needham, MA

Americans are spending more than ever on improving their homes, businesses, and commercial buildings. Property owners in Southwest Florida are no different. Mighty Dog Roofing offers professional roofing installation, repair & home improvement services to meet these needs at a reasonable price.

For over 25 years, Mighty Dog Roofing has employed a team of qualified and certified experts in roof repair and installation, sidings, windows, and more for residential and commercial properties. Each finished Mighty Dog project is "paw stamped" with a seal of commitment to the expectations set for its customers from the start.

Its Mighty Pledge promises "Top Dog Communication, Integrity, Cleanliness and On-Time Responses."

Mighty Dog Roofing focuses on cleanliness to avoid damaging landscaping and other fragile elements of your Southwest Florida, which is why the company uses a "House Cape" to protect from debris and simplify cleanup.

To aid in the decision-making process, Mighty Dog Roofing also offers a state-of-the-art visualizer for potential Southwest Florida clients to see how any tile, shingle, or slate options can look in their home's roof or siding.

When the job is done, the roofing franchise offers a craftsmanship warranty to give customers peace of mind that the job is done well. The warranty comes with a Mighty Watchdog maintenance annual checkup to assure a healthy roof for years to come. By working with the best suppliers in the industry, the company also offers up to a 50-year manufacturer's warranty on their products, from slate roof tiles to wood shakes, copper gutters, vinyl, steel, and aluminum siding, and all types of windows as well.
