Chattanooga, TN ? A provider of package receiving in Chattanooga, TN, The Mail Box Store, stays informed on shipping industry developments and likes to keep its customers up to date. With that in mind, The Mail Box Store is discussing how the Russia-Ukraine war is impacting the shipping sector.

The Russia-Ukraine conflict has caused significant disruptions to global shipping due to the fact that Russian forces are cutting off supply lines, logistics businesses are shutting down operations, and air freight prices have increased significantly.

The closing of one of the only ocean trade access points in Ukraine has resulted in a massive buildup of ships waiting to pass through the Kerch Strait, according to Dylan Alperin, head of professional services for Keelyar, a supply chain software platform. Alperin continues, explaining that "with 70% of Ukraine's exports distributed via ship, the congestion is worsening by the hour."

"The Black Sea and Sea of Azov are now dangerous or unpassable," according to Christian Roeloffs, the CotainerxChange CEO. "There have been missile strikes on ships, ship seizures and lane closures for commercial shipping," he adds. Airlines have also been heavily discouraged from flying in Russian airspace, and this, alongside rising fuel costs, is driving up shipping costs.

While this may be unpleasant and disheartening to hear, The Mail Box Store is doing all it can to make shipping as simple as possible for their consumers.

As a full-service shipping center, The Mail Box Store of Chattanooga is an authorized shipping outlet for FedEx, USPS, and DHL, and they also offer a wide range of services, such as digital and physical mailbox rentals, digital fingerprinting, U-Haul rental, and much more.??For more information on shipping or any service offered, give?The Mail Box Store of Chattanooga?a call at?(423) 558-3340?or visit them online at?www.TMBSchatt.com.
