Santa Clarita, California - March 29, 2022 - PRESSADVANTAGE -

Santa Clarita, California - Asmverse.com reports on the expected release of a an 'Intergalactic Children's Metaverse Book' by Canadian singer Grimes on the Avalanche AVAX/USD.

This came as a virtual announcement at the Avalanche Summit in Barcelona last Friday, Grimes revealed that the project will be part of the \$100 million initiative from OP3N and the Avalanche Foundation.

Avalanche Summit is a conference for developers, researchers, and makers building on Avalanche. Learn about the latest Avalanche platform updates, and meet like-minded innovators creating the next-generation apps for Web3. Speakers at the event also included Sergey Nazarov, Co-Founder of Chainlink, and Cory Pugh, CEO and Chairman of BridgeTower Capital. The virtual summit took place on March 22nd - 27th, 2022 in Poble Espanyol Barcelona, Spain.

'When I first got into Web 3, this was the kind of project I was hoping to see. I'm very excited to be partnering with [OP3N] to launch a series of educational art for babies and small children with the goal of creating a profound experience for babies that is also deeply meaningful to adults,' said Grimes.

Last year, Grimes launched a series of NFTs that sold out in under 20 minutes after raking in \$5.8 million.

'I hadn't dropped any NFTs since the first drop because of the environmental concerns. But I feel totally comfortable launching on Avalanche,' said Grimes at the Summit.

The Avalanche AVAX/USD Blockchain is a rival to the Ethereum blockchain supports a thriving DeFi ecosystem and other smart contract-driven applications.
