The company formally announced, saying, ?We buy houses Birmingham but are also expanding into nearby cities.? The company has said that all homeowners can expect to receive excellent service and the possibility of closing within 7-days. What that means is that people get cash for their homes from the time they accept the offer within seven days.

Over the years, the number of cash home buyers in Birmingham has increased tremendously. One of the reasons for the increase is the number of distressed homeowners, in other words, people who want to sell their homes. However, not all cash for home buying companies can be trusted. That said, companies like Chase Pays Cash have an established reputation for providing

excellent quality service. Furthermore, the company makes generous offers on all types of homes.
