Roll Off On The Go Rentals is a local dumpster rental company that has established a solid reputation throughout Maryland as a dependable waste disposal service that provides roll off dumpster rental deliveries and always prioritizes the needs of its customers. The company is run locally and is familiar with the dumpster rental needs of customers in the area.

"In today's fast-paced society, we realize we have to be flexible," said company owner Edgar Saucedo. Not everything goes as planned for our customers, and they sometimes require a dumpster to be delivered the same day or the next day. Our customers are everything to us, so we do everything we can to meet their needs."

The company offers a variety of dumpster sizes to suit a wide range of projects, both large and small. They offer 10-yard roll-off dumpsters, 15-yard roll-off dumpsters, 20-yard roll-off dumpsters, and 25-yard roll-off dumpsters. Renting a roll-off container from the company starts at $365 for a 10-yard rental bin with a capacity of up to 4 pickup truck loads, $400 for a 15-yard roll-off container with a capacity of up to 6 pickup truckloads, $440 for a 20-yard dumpster with a capacity of up to 8 truckloads, and $499 for a 25-yard dumpster with a capacity of up to 10 truckloads.

Yard maintenance, home renovations, drywall or shingle replacements, remodels, and cleanouts are examples of such projects. The company also provides dumpsters for projects that require the transportation of bulky items or junk. Roll Off On The Go Rentals also offers construction dumpster rentals, according to the company's website, but they only accept certain types of construction waste, such as roofing shingles, wood, and lumber.
