Dank Cannabis Dispensary, Calgary's premier store for cannabis products is expanding its delivery services to the entire city of Calgary. The shop's range of cannabis products includes marijuana flower buds, pre-rolls, vapes, concentrates, edibles, drinks, cannabidiols, accessories, seeds, and topicals.

The store was recently allowed to begin deliveries of marijuana products all over the city due to the passage of Bill 80, Alberta's Red Tape Reduction Implementation Act. It allowed private licensed cannabis retailers to offer online sales of cannabis, a privilege that was hitherto only reserved for the government-operated entity Alberta Gaming, Liquor, and Cannabis (AGLC). Cannabis connoisseurs in the region had been looking forward to the transition for a while and Dank Cannabis is stepping up to serve them.

Reviews of the Dank Cannabis's Ogden store mention its remarkably low and affordable prices, quality and choice of products on offer, and the knowledgeable staff who are there to help customers pick the best marijuana products for their needs. Those who want to be notified of the newest strains and marijuana products that Dank Cannabis introduces can follow their press updates.
