

Calgary Dispensary Dank Cannabis Announces Marijuana Delivery To All Of Calgary

April 07, 2022

April 07, 2022 -

Dank Cannabis Dispensary has announced that it is going to serve the entire city of Calgary with the delivery of the finest marijuana cannabis products. The shop's range of cannabis products includes marijuana flower buds, pre-rolls, vapes, concentrates, edibles, drinks, cannabidiols, accessories, seeds, and topicals. The Calgary dispensary has three locations in the city - Dover, Ogden, and Parkdale.

Calgary residents have only recently been introduced to the concept of home delivery of marijuana products from private retailers. Until a month ago, private cannabis retailers in Alberta were prohibited from offering home delivery of cannabis products as it was strictly regulated. Cannabis enthusiasts who wanted to enjoy home delivery of cannabis products could only head over to [Albertacannabis.org](https://albertacannabis.org) a provincially-run e-commerce portal managed by the government-operated entity Alberta Gaming, Liquor, and Cannabis (AGLC). However, late last year Alberta passed Bill 80, Alberta's Red Tape Reduction Implementation Act, which allowed private licensed retailers to begin online deliveries using their own eCommerce platforms and in-person delivery infrastructures.

Dank Cannabis Dispensary has been at the forefront of this new cannabis consumption paradigm as it has prepared for this transition for months. The store's website has been bolstered with detailed descriptions of all of its products to make the decision-making process as simple and straightforward as possible for its customers. The company has also invested a lot of resources in expanding its delivery capabilities so that it can keep up with the demand for cannabis products that it expects will rise in the near future.

A spokesperson for the dispensary talks about the many advantages it offers by saying, "There are many reasons to shop with Dank Cannabis Dispensary in Calgary. Reviews of their Dover dispensary are overwhelmingly positive as it sits at a very impressive rating of 4.8 out of 5.0 on its Google My Business page. The reviews talk in-depth about how informed the staff is about the wide range of cannabis products that the store offers for sale. Along with appreciating the choice of products on offer, the reviews also mention that the products in the store are of high quality while still being affordable and are priced competitively compared to the other dispensaries in the region.
