April 11, 2022

April 11, 2022 -

Dank Cannabis Dispensary will officially open and be prepared to receive customers at its Parkdale location as early as next week. The Calgary cannabis dispensary also has other locations in Dover and Ogden that are currently offering in-store shopping and home deliveries of marijuana products. Their Parkdale dispensary location is 3412 3 Ave NW, Calgary, AB T2N 0M2.

A spokesperson for the dispensary talks about the launch of its new Parkdale location by saying, ?We are proud to serve the residents of Calgary through yet another location in the city. Our Dover and Ogden locations have received a tremendous response from Calgary residents. The love that Dank Cannabis is receiving at those two locations is evident in the fact that they sit at an exceptional rating of 4.8 and 4.9 out of 5.0 respectively on their Google My Business pages. We are confident that the experience of running those stores and the lessons learned will help us make the store in Parkdale an even more resounding success. You will get to enjoy all the usual benefits of shopping with Dank Cannabis when you visit our Parkdale store. You will get to experience the same wide selection of products, helpful and knowledgeable staff, competitive prices, and exclusive deals if you are a Dank Club member. The Parkdale location will also allow us to cut down the delivery times for home delivery of marijuana products to customers as yet another location

expands our reach within the city. We hope that you, our valued customers, will be with us through this exciting journey and support the Parkdale location with as much enthusiasm and vigor as you have supported us in Dover and Ogden. So make sure to visit the Parkdale store or order your favorite cannabis products online today.?

Dank Cannabis will also offer delivery of marijuana products from its Parkdale location. The Calgary-based dispensaries are meeting customer demands as they were only recently authorized by the local Alberta government to offer home delivery of cannabis products. This change was brought about by the passage of Bill 80, Alberta?s Red Tape Reduction Implementation Act. It allowed private cannabis retailers to enter the space that was previously wholly served by Alberta Gaming, Liquor, and Cannabis (AGLC). Dank Cannabis Dispensary is primed to serve the residents of Calgary who are itching to take advantage of this ruling by providing them with timely and convenient home delivery of cannabis products within the city.

The shop?s range of cannabis products includes marijuana flower buds, pre-rolls, vapes, concentrates, edibles, drinks, cannabidiols, accessories, seeds, and topicals. Some of the eclectic strains of marijuana flower buds on offer from the store include Acapulco Gold, Animal Mints, BC Organic Sweet Bubba, Black Cherry Punch, Dark Helmet, Doja C99, Fruity Pebbles OG, Gelato, Ghost Train Haze, Gluerangutan, Jelly Breath, Kitchen Sink, LA Kush Cake, Mule Fuel, OG Kush, Pacific OG, Powdered Donuts, Space Flight Superstar #11, Tropicanna Gold, Ultra Sour, Wedding Pie, and many more.

The shopping interface allows customers to select the exact weight of the marijuana product that they wish to purchase with options including 1 gram, 2 grams, 3.5 grams, 7 grams, 10 grams, 14 grams, 15 grams, and 28 grams. Customers can even choose between the type of marijuana strain that they are interested in ? Sativa, Indica, or Hybrid. Buyers can also use a convenient slider on its website to choose products with THC concentrations and CBD concentrations of anywhere between 0% to 50%.

Customers who want to benefit the most from their shopping experience at Dank Cannabis can sign up for the Dank Club which grants them access to exclusive events, promos, and freebies. Members of the Dank Club earn points on every visit that unlock rewards and deals like 5% off all accessories and 20% off every 10th visit.
