

Blockchain Community And Cryptocurrency Enthusiasts Prepare For First NFT Convention of 2022

April 04, 2022

Santa Clarita, California - April 04, 2022 - PRESSADVANTAGE -

Santa Clarita, California. NFTOrbitor.com is reporting the first NFT Expoverse of this year and will be hosted at the Los Angeles Convention Center on July 29-31, 2022. This conference is expected to attract NFT investors and enthusiasts from the blockchain community.

NFT Expoverse is an educational 3-day event showcasing how the inevitable mass-scale adoption of blockchain technology will affect the world. Both business and individuals will learn about the next major advancement in society and how they can apply it to their everyday life. Blockchain enthusiasts will have the opportunity to hear from multiple expert speakers, visit a host of exhibitors and review some of the most innovative and cutting-edge products within the blockchain industry.

?Zoom and streaming services kept people together as well as businesses in motion. Yet for enthusiasts, nothing replaces the thrill of a live event with like-minded people. For NFT investors and fans alike, their time has finally come.? Stated Raul Meza, Content Editor at NFTOrbitor.com. ?The excitement of a live event and the potential of networking and meeting that one person that can help them overcome their current hurdle is enough to lure fans from far and wide.?

The event is set to cater to newcomers and professionals alike. Top blockchain industry leaders are coming together to present attendees with a series of educational seminars, keynote addresses, and workshops. Speakers at the event will include names like Ben Lakoff from Charged Particles, John Kraski from NFT Genius, Tejas Chopra from Netflix, and Monica Long from Ripple.
