Exclusive Moving & Delivery or Exclusive Movers, based in Charlotte, NC, is pleased to announce that they are ready to help residents planning to move in Charlotte this coming spring or summer. While there is no shortage of local moving companies in the area, they want to emphasize that they stand out because of their highly trained staff who are capable of handling all aspects of the move. With just a phone call, people can have their entire move taken care of and the process made easy for them. They will bring their own moving truck, moving professionals, and moving boxes. Because they offer a full-service move, they will take care of the packing and unpacking, in addition to the transportation.

Brian Aguilar, CEO of Exclusive Moving & Delivery, says, ?We pride ourselves on delivering the best professional movers in Charlotte, North Carolina. When you move with us, you are more than just another name on our docket. We rely on your word of mouth advertising and growth and are adamant about making sure this is the best moving experience you have ever had. Customer satisfaction is everything to us. Your moving costs are lower with us, and our award-winning service makes your load lighter. Check out our moving resources.?

They offer various kinds of moving services. These include: college moving; garage moving; long distance moving; full service moving; office moving; furniture moving; residential moving; and business moving. Their service area includes: Charlotte, Concord, Cornelius, Belmont, Denver, Gastonia, Davidson, Huntersville, Matthews, Harrisburg, Weddington, and Mount Holly.

The college moving service is designed to help parents and their college kids move to their new place when they have to go to a college or university far from home. This allows the parents and the college students to focus on other important matters while they do the packing, loading, unloading, and unpacking of the student?s belongings.

Exclusive Movers also specialize in garage moving, which can be quite a challenge because the garage often contains al lot of things. The process might require some decluttering, which they can do for the client.

For long distance moving, they can led clients avoid much of the stress that comes with having to move a distant place. Their services can help in having a smoother transition.

They also offer office moving services for those who need to transfer to a new office because their company is expanding. They are ready to help with moving valuable belongings and documents. Their office moving service covers the whole moving process, from packing the company files to unloading them in the new office.

Meanwhile, they have also acquired a lot of experience in moving any kind of furniture safely from one place to another without any issues. They know how to secure the furniture in order to avoid damages while moving them to a new location.

Founded in 2013, Exclusive Movers was established as a specialty moving and delivery service, for both residential and commercial clients, and they provide mover services at the local, statewide, and regional levels. The moving professionals will arrive in clean moving trucks with the appropriate moving supplies and equipment so customers can have peace of mind and relax while they perform the necessary moving tasks. They will take all of the necessary precautions when handling the various belongings of clients. The quality of the services they provide have been recognized through customer testimonials and the award provided by Expertise, specifically the Best Moving Companies in Charlotte award for 2020.

They also have an overall rating of 5.0 after 75 reviews on Google. In a recent review, Steve L. gave them five stars and said, ?We used Exclusive Moving and Delivery just yesterday and they were excellent. They kept in touch with us prior to our move date and arrived right on time the day of moving. Oscar, AJ, Darin and Yeyson did a very professional and caring job of protecting and transporting our belongs carefully to their destination. Oscar is excellent at packing things and managed to get all of our stuff into our storage unit. We

will definitely use them again and I would recommend them highly.?
