GST Services, a company based in Damascus, MD, is pleased to announce that they are ready to provide junk removal rentals in Germantown and neighboring areas. With these services, they expect that businesses and homeowners in Germantown will now find it much easier to rent a junk removal service or a dumpster online anytime they need or want, all based on their schedule. They have various sizes of dumpsters available for rent that can be used for any residential or construction clean up. They also offer the services of a price estimator who can provide a free no obligation quote junk removal or dumpster rentals. More about this can be gleaned from https://www.gstservicesmd.com/junk-removal-germantown-md/,.

George Tatakis, owner of GST Services, says, ?At GST Services in Germantown, Maryland, we never cut corners when it comes to cutting out your trash problem. Our junk removal Germantown MD services can be tailored for your scope and timeline to ensure that junk is gone when you need it to be. We offer convenient, affordable junk removal for homes and businesses. Our clear pricing means you're never left holding the bag with unexpected rates. We'll treat your property respectfully. We also give our guarantee that your trash will be handled responsibly using proper disposal and recycling practices.?

GST Services offers junk removal services, particularly for residential estate and home sale clean outs. They are ready to partner with homeowners or real estate agents to determine the specific requirements for junk removal and hauling. Their trucks measure 12 feet in length, 8 feet in width, and 6 feet in height, and junk removal services can be requested for 1/4 truck, 1/2 truck, 3/4 truck, full truck, or by item. In addition, they are environmentally conscious and will examine all materials for possible donation, recycling, or re-purposing before transporting them to the landfill.

Also available from GST Services are rentals for hook lift dumpsters of various sizes: 20 yard dumpsters; 15 yard dumpsters; and 10 yard dumpsters. The 20 yard dumpster measures 8 feet by 14 feet by 6 feet and can accommodate approximately 8 times that of a pickup truck load. This is frequently used for home remodeling and construction projects, such as kitchen remodeling, yard cleanups, renovation of the master bedroom, attic clean outs, garage clean outs, basement clean outs, and other similar projects.

The 15 yard dumpster measures 8 feet by 14 feet by 5 feet and can contain about 6 times that of a pickup truck load. It can be utilized for relatively small projects, such as: removal of waste and junk from the yard waste; repair of a sidewalk or driveway; clean out of a huge room, such as a bedroom, garage, bedroom, attic, or basement; and different types of home renovation projects, such as the remodeling of a laundry room; installation of kitchen cabinets; and removal of flooring, walls and carpet.

The 10 yard dumpster measures 8 feet by 12 feet by 3.5 feet and can accommodate up to 4 times that of a pickup truck load. It is applicable for small-scale projects, such as: outdoor yard cleaning projects; small home renovation projects; room decluttering and clean out projects; and small home remodeling activities.

Aside from Germantown, GST Services serves several areas. These include: Clarksburg, Gaithersburg, Damascus, Potomac, Mt. Airy, Olney, Woodbine, New Market, Urbana, Rockville, and all areas in between. It should be pointed out, however, that even if the customer?s location is out of the indicated radius, they may still be able to deliver dumpsters for an additional free.

GST Services is a family-owned company that services a number of counties in Maryland, including Howard, Frederick, Carroll, and Montgomery. George Tatakis, owner of GST Services, is a native of Damascus and has many years of experience with large machinery, landscaping, snow removal, hauling, farming and farm equipment, deconstruction, waste removal, and delivery. He is ready to work with the customers to determine their specific requirements and the most cost effective choices to finish the job.
