More about the company and their services can be gleaned from <https://gst-services-waste-management-service.business.site/posts/2640098197418963319>.

George Tatakis, owner of GST Services, says, "Rent a dumpster for your next project with GST Services in Damascus, MD. We have dumpsters that will fit any residential or construction need, and we offer junk removal services as well. Use our price estimator to get an instant quote, and be sure to check out our comprehensive customer service standards. We're committed to making the process easier than ever before."

The 10 yard dumpster is 8 feet wide, 12 feet long, and 3.5 feet high, and can hold up to four times that of one pickup truck load. It is applicable for small-scale projects, for instance: small home renovation projects; outdoor yard cleaning projects; small home remodeling projects; and room decluttering and clean out projects.

The 15 yard dumpster is 8 feet wide, 14 feet long, and 5 feet high, and can accommodate six times that of a pickup truck load. It can be suitable for relatively small projects, for example, the: repair of a sidewalk or driveway; clean out of a huge room, such as a garage, bedroom, basement, or attic; elimination of waste and junk from the yard; installation of kitchen cabinets; various types of home renovation projects, such as the remodeling of a laundry room; and removal of walls, carpet, and flooring.

The 20 yard dumpster is 8 feet wide, 14 feet long, and 6 feet high, and can contain about 8 times that of a pickup truck load. This is typically used for home remodeling and construction projects, including yard cleanups, renovation of the master bedroom, kitchen remodeling, garage clean outs, basement clean outs, attic clean outs, and other similar projects.

They can also offer junk removal services using a truck that has space measuring 12 feet by 8 feet by 6 feet. Clients can rent 1/4 truck, 1/2 truck, 3/4 truck, full truck, or pay by item. It should be noted that 1/4 truck is equivalent to two pickup truck loads. Rental by item is for bulky items, such as couches and chairs, electronics, tables and dressers, mattresses, appliances, and others.
