Established in 2020, Drum's Discount Dumpsters is a local family-owned company that offers dumpster rentals for jobs such as house clean-outs, garage or storage shed clean-outs or small remodeling or construction projects. The company can serve both residential homeowners as well as commercial customers such as contractors and construction companies working professionally on a client-owned site.

The company?s 16-yard dumpsters are 16 feet long, 7 feet wide, and 4 feet tall and can be rented out for $321 for 7 days. The base price includes 2 tons (4000lbs) of debris. Its 24-yard dumpsters are 16 feet long, 7 feet wide, and 6 feet tall and can be rented out for $428 for 7 days. The base price includes 3 tons (6000lbs)

of debris. For both dumpsters, the company charges a flat rate of $55 per ton of waste over the included tonnage. Customers who want to rent for longer than the 7 days included in the base price can talk to the company?s service representatives to get a tailor-made quote that takes into consideration their rental requirements.

One of the recent reviews from the company?s Google My Business page says, ?What a great experience from start to finish. My family and I were looking to get a dumpster for an attic cleanout recently and as soon as we found Drum?s, it was clear they were the best. The number of options for payment made paying for the dumpster a breeze, and every single employee we dealt with was so friendly. From scheduling to drop-off and pickup, everything was seamless and upfront. The dumpster arrived SPOTLESS and right on time. If you need a dumpster for anything, these people are top of the line!!!?

Another review that makes a great point about the affordability of the company?s services using some light-hearted humor says, ?Great customer service the word discount means it way cheaper than anyone else by far and if you need to extend your time the fee to keep it you can get from in between the couch cushions that you tossed in the dumpster.?
