April 18, 2022 - PRESSADVANTAGE -

Teryn Darling is the owner of Girlz Ink, a permanent makeup studio located in Las Vegas, NV. Teryn has been a permanent makeup artist for over 15 years, providing exceptional service to her permanent makeup clients. Now, Teryn, of Girlz Ink Studios of Las Vegas is offering group training sessions to pass her knowledge and skills to a new wave of permanent makeup artist so that she may have a positive impact on even more people's lives.

Permanent Makeup Application Artists provide a much-needed service for busy women lives. Women frequently lose valuable time they formerly had dedicated to their own well-being as their day-to-day routines get busier and more challenging than ever. Thanks to the Girlz Ink Studio Training Academy, it is now possible for women to reclaim some of their valuable time worldwide.

Small group training sessions, shadowing opportunities, and one-on-one training are available at Girlz Ink. At Girlz Ink's Training Academy every student receives a unique education tailored to their interests and skill levels.

The Girlz Ink Studio's success has been attributed to their dedication to quality and education, which has helped them become famous for their exceptional services worldwide. Teryn has pioneered cutting-edge permanent makeup techniques and her team at Girlz Ink has grown into a formidable force in the permanent cosmetics industry due to her hard work. She is now extending her skills to other permanent makeup artists through Girlz Ink Training Academy, which provides exclusive, one-of-a-kind permanent makeup training online. The Girlz Ink Training Academy is an online educational platform that provides students with the skills and information necessary to flourish as professional permanent makeup artists.

The knowledge and skills acquired at Girlz Ink's Permanent Makeup Training Academy can provide life changing benefits to women around the world; particularly those suffering from disorders such as

Parkinson's, stroke, or multiple sclerosis ? conditions that can impair their ability to apply makeup. As a result of Teryn's expertise in permanent cosmetics, she can even assist breast cancer survivors after surgery by realistically re-creating the areola using the latest three-dimensional tattooing techniques. Teryn is now going to mentor and train a new wave of permanent makeup artist to provide the same life-changing opportunities around the world.

Girlz Ink Training Academy will guarantee that the new generation of permanent makeup artists can access the skills and training they need to help permanent makeup clients reclaim their time from applying makeup every day, plus put aside concerns about brow symmetry, perfecting eyeliner, and other time-consuming and challenging makeup processes. Girlz Ink Permanent Makeup Training enables more clients to wake up each day with beautiful carefree makeup.

To ensure every client's permanent makeup will appear immaculate, natural, and long-lasting, Girlz Ink has a vast choice of pigment colors, microblading tools, permanent makeup supplies, and cosmetic tattoo equipment through its Girlz Ink's online store.
