We used their packing and moving services. They sent 6 guys to pack our completely unpacked 2BR/2.5 bathroom/basement townhome and they were done before sundown. Move in to the new place was seamless the next day. 10/10, would recommend. Thanks, Treasure.?

In another recent review, Susan B. also gave them five stars and said, ?We used Treasure Moving in autumn 2021 to move from a retirement community to an apartment in a high-rise. We split the move so that furniture went first. Then about two weeks later, they moved the boxes and miscellaneous stuff. (This splitting was done to accommodate some of our personal needs.) We had two different crews and both crews were great. They were easy to work with, attentive to the care of our belongings, and very reasonably priced. And the woman answering the phone in the office was just plain superb. We will definitely call them for our next move, though we hope that is several years in the future.?
