April 19, 2022 -
Fresno CA - Ranch style multi-generational home in Fresno, CA now on the market.

Laton, California, in the center of Fresno County, is surrounded by extraordinary real estate and tourist destinations that are always worth a visit. Located in the heart of California?s San Joaquin Valley, Fresno sits as the 5th largest city in California, with over half a million population. With a long history of agriculture and vineyards, it is now also home to some of California?s most elite golf courses and luxury estates.

Laton is one of the best places to reside in Fresno, with stunning churches and parks to enjoy with one's family. This city is like a ?staycation? every day for residents and their loved ones, thanks to its parks, walking trails, and storied architecture.

This multi-generational home in Laton, Fresno CA is the ranch home many dream of. At 22,651 sq. feet of indoor and outdoor space, the home offers comfort and convenience and is simply a sight to behold.

In the listing, Jason Nenadov explains the one-of-a-kind amenities of the home in his blog, ?With an enormous 22,651 square feet of living space, a large horseshoe driveway, and a beautifully landscaped spacious backyard, this Laton CA home is perfect for your hobbies. This single-story property also features two living areas, one of which can be converted to an elegant family room right next to the kitchen.?

With the security and convenience in mind, Jason added, ?To ensure comfort and convenience, a couple of updates have been completed for this property, such as brand new carpets, privacy fencing throughout the backyard, and a never-before-used 350? deep well in addition to the one currently in use.?
