North Edmonton Kia Explains 2023 Kia Sportage Price Structure

May 02, 2022

May 02, 2022 -

North Edmonton Kia is urging those interested in purchasing an SUV to check out the highly anticipated 2023 Kia Sportage and its many versions available for sale at the Alberta dealership. The dealership had recently issued a press release that announced the availability of the 2023 model along with all relevant specs. The press release can be read by heading over to the link: https://www.pressadvantage.com/story/50448-north-edmonton-kia-announces-2023-kia-sportage-specs-for-canada.

The 2023 Kia Sportage is available in 6 trims ? the LX FWD, the LX, the X-Line, the EX, the EX PREMIUM, and the X-Line Limited. The trims are available at a base price of $28,395, $30,395, $33,995, and $35,595, $37,595, and $40,995 respectively. These prices are only the MSRPs and they don?t include delivery and destination fees, taxes, levies, licensing, and other dealership fees. Kia?s official website also lists weekly finance and lease payment options which can be used as an approximate guideline for what one can expect to pay for the vehicle from most dealerships. Readers planning on purchasing the vehicle from North Edmonton Kia are requested to visit its website for a detailed and accurate breakdown of how much they can end up paying for owning the 2023 Kia Sportage.

Kia Canada also makes available several incentives for those who qualify. For example, it offers $500 toward the purchase or lease of a new Kia vehicle to the men and women of the Canadian Forces. Customers may be active (or reserve) members of the Canadian army, navy, or air force or inactive (retiree) personnel to qualify. Military I.D. must be provided as proof. Kia Canada also assists individuals who require adaptive aid to drive a Kia vehicle by providing up to $750 towards the purchase and installation of specialty equipment in their Kia vehicle. To qualify, the customer must provide original documentation from a licensed medical professional in the customer?s province of residence, clearly detailing the customer?s existing permanent disability. Finally, recent graduates from a Canadian accredited post-secondary institution are also eligible to receive $500 towards the purchase of a vehicle.

The 2023 Kia Sportage lineup has a 2.5L 4 Cylinder engine that uses regular unleaded gasoline and features an automatic transmission. Every trim except the LX FWD has an All Wheel Drive drivetrain, a feature that some Canadians might find invaluable as they may have to deal with snow-covered roads when the weather goes bad and driving conditions turn especially hostile.

The LX FWD comes with features such as 17" alloy wheels, Forward Collision-Avoidance Assist (FCA), Drive Mode Select, and rear climate ventilation. The LX has the same features with the addition of an All Wheel Drive drivetrain. A step up from the LX line, the X-Line offers features such as ladder-type roof rails, Blind Spot Collision-Avoidance Assist (BCA), rear parking sensors, a wireless phone charger, and remote engine start. The EX trim goes a step further and offers features such as a panoramic sunroof, advanced Forward Collision-Avoidance Assist with junction turning function, dual-zone automatic climate control, 12.3" multimedia interface with integrated navigation, and Kia Connect, the company?s advanced and innovative connected car solution that integrates the driver?s smartphone, car, and its infotainment system. The EX Premium trim is packed with comfort, style, and safety features such as 19" alloy wheels, front parking sensors, rear parking sensors, a smart power liftgate, air-cooled front seats, and heated rear seats. Finally, the highest-end trim, the X-Line Limited is packed with features such as Highway Drive Assist (HDA), a blind view monitor, surround-view monitor (SVM), Harman Kardon® premium audio system, and a 12.3" supervision LCD/TFT instrument cluster.

Readers who want to find out more about the high-quality dealership services offered at North Edmonton Kia can head over to its Yelp page at the link: https://www.yelp.ca/biz/north-edmonton-kia-edmonton to check out customer reviews.
