

Lashes n' More Introduces Lash Lift Service

April 25, 2022

April 25, 2022 - PRESSADVANTAGE -

Hilton Head, SC - Beauty company Lashes n' More introduces its new way of caring for the lashes??Lash Lift.

The leading personal care company is getting more consumers because of its comprehensive range of services, including lash lifts. The lash lift procedure utilizes a specially developed silicone pad and perm solution to lift the natural lashes from the roots.

Brow and lash expert Irina Rudman says lift can be for those with long and short lashes. So everyone is a perfect candidate for an eyelash lift. Rudman says the lash lift procedure typically takes 45 minutes to one hour to finish, and its results typically last 6 to 8 weeks. So it's a perfect solution for busy individuals who want to enhance their eye appeal each day.

Citing the many benefits of lash lifting, the Lashes n' More owner highly recommends it. Those who had lash lift treatment won't have to go through a time-consuming and expensive makeup routine each day. Professional lash lift treatment from Lashes n' More also ensures that natural lashes are neither damaged nor altered after the salon visit.

The Lashes n' More owner says, "Here at Lashes n' More, we believe that something as natural and straightforward as a lash lift can radically improve your face, appearance, and raw confidence."

Aside from Lash Lift, the company also offers Brow Waxing, Brow Lamination, Classic Lash Extensions, Volume Lash Extensions, Lash and Brow Tint, and Lash Extension Removal. The lash expert has helped and assisted many women and men with their brow and lashes goals. To know more about their complete services, visit their website at <https://lashesanmore.com/>.

Furthermore, Lashes n' More staff are professionals in the industry. Rudman alone received various training

on the brow and lash procedures from Russia and South Korea, both known for their beauty culture. A licensed esthetician, Rudman has been in the business for over seven years.

"We strongly care about keeping natural lashes healthy. That's why we use top-quality products and a proper lashing technique. In addition, we treat each client as special and take into account everyone's eye shape, lifestyle, and personal preferences to create lash looks that are uniquely yours," she says.
