Jim Roberts Realty, a real estate company based in Marianna, FL, is proud to announce that they have achieved record sales for the years 2020 and 2021 as a result of the influx of people moving to the rural areas of Florida and the excellent reputation of the company, backed up by the high reviews and rankings on Google. The realty company is currently the oldest and most trustworthy realtor in Jackson County Florida and is respected among the Central Panhandle Area Realtors (CPAR), in part due to the excellent reputation developed by founder Jim Roberts, which was ably continued by his son James "Robby" Roberts, who still directly oversees operations at the present time. Robby Roberts is ably supported by his team, including Jim Gibbs, Rex Tyus, Angela Daniels, and Clarice Boyette. They have been voted as the best in the area over and over again, which was clearly a result of their hard work for each and every deal.

Robby Roberts says, "Marianna Florida is a beautiful place and where I have always called home. While things have changed over the years we like to think its better in most ways because we have formed good friendships with folks we've helped over and over buying and selling their dreams. It's great to see bright faces of community members when you know you've gotten a job well done kind of smile and I couldn't do this alone. My team is the best around. We all have our own strengths and help each other where we are needed. There are other good agents around but mine are the absolute best!"
