

Gemstone And Crystal Store Tiny Rituals Is Promoting Its Collection Of Books About Crystals

May 18, 2022

Encinitas, California - May 18, 2022 -
Tiny Rituals has announced the launch of its collection of books about crystals. As of the time of writing, customers can save 20% on their order when they bundle any 3 items from the collection together.

The crystal books from Tiny Rituals? collection talk about the many different common and rare crystals that are considered valuable for their metaphysical properties. All the books in the collection are curated by Judy Hall, a master of astrology, healer, leader, and visionary psychic. The books explain how the radiant powers of the crystals interact with the body, mind, and spirit of the person wearing them, carrying them, or incorporating them into their home décor. The books from the collection have lots of detail contained within their pages, enabling some to be used as references while some can be considered as easy-to-read starter guides. The difficulty ranges from beginner to intermediate to expert, giving all readers something that they can get lost in, based on their existing familiarity with the world of crystals and spiritual healing.

A spokesperson for the online jewelry, gemstone, and crystal store talks about its book collection about

crystals by saying, ?These books hold a universe of knowledge that is not readily available online. The books that we have curated for this selection will let you pick out the ideal crystals and stones that you need in your life based on their unique powers, which traits they encourage, and which chakras, zodiac signs, and elements they are the most connected to. Regardless of your current level of interest in crystals, we are confident that after perusing these books, you are bound to find out more about the wonderful metaphysical systems that govern the human body, the universe, and our fates. Reading the books can let you unlock deeper healing by letting you know which crystal perfectly aligns with you. If you are interested in crystals and healing and considering picking up this collection, we encourage you to head over to our website and check out the blog section to read more about crystals.?

The first book in the collection, The Little Book of Crystals, delves into all the ways that the power of crystals can enhance a person?s physical, emotional, and spiritual wellbeing. The book emphasizes 15 key crystals that can strengthen a person?s spiritual practice, improve their relationships, boost their wealth, and help them harness the power of positivity. The second book in the collection, 101 Power Crystals, has individual profiles on 101 crystals, from stones that are commonly known such as Amethyst, and Citrine, to the lesser-known gems like Trigonic Quartz, Preseli, Aurora Quartz, and Que Sera. The book provides an inside scoop on the sensitivity of each stone as well as the lore behind them, their transformational properties, and the best ways to use each stone as a source of power. The third book in the collection, Crystal Healing Book, is a savvy beginner guide to crystal healing. It contains beautiful photographs, instructional charts and diagrams, and intuitive information on the power of crystals and their chakra connections. The book focuses on the ultimate master healer stones and the seven chakra connectors. The fourth book in the collection, Crystal Zodiac Book, takes a close look at the relationship between crystal healing and astrology. The author maps out each of the crystals associated with the different signs and gives tips and easy-to-use applications on how the stones can be used for growth and golden living. With this book, readers will learn which sparkling stones are best suited to their unique astrological makeup.

 "description": "\nBestselling author, educator, and crystal healing expert Judy Hall is back with the latest kind of crystal bible that will introduce you to the master healer gems and minerals. Whether you are seeking a savvy beginner guide to crystal healing or if you are looking for a close companion to accompany you on your stone sojourns, this Crystal Healing Book grants you the knowledge and the power to manifest your dream life. Beautiful photographs, instructional charts and diagrams, and intuitive information on the power of crystals and their chakra connections grants you all the access you need to higher leaping.\n?With this book, I channel my vision and knowledge so I can say yes to balance, beauty and being?\nDescription\nThe world is full of endless stones, crystals, and sacred gems. From chakra cleansers to zodiac amulets, talismans for love, wellness, communication, physical or spiritual strength, crystals that call on clairvoyant properties, and stones that can be used as protective shields. These ancient gifts from Gaia have all kinds of healing powers. In this book on crystals, Judy Hall invites us to take a closer look at the major players. These are the ultimate master healer stones and the seven chakra connectors.\nThe seven chakras rise up from root to crown, scattering energy points across our body. The root chakra, the solar plexus chakra, the sacral chakra, the heart chakra, the throat chakra, the third eye chakra and the crown chakra. When all these energy points are open and burning bright, we can reach our highest potential as human beings. We can stand solid, call on our warrior spirit, awaken our passion, say yes to love and creativity, tap into our infinite well of wisdom, speak our truth, and connect to higher purpose and the great swirling cosmos. In this guide, we welcome seven crystals that match each chakra and can help clear out blockages and keep that white light shining through our being.\nThe Master Healer crystals also help us to say a heartfelt yes to balance, beauty, and being. By keeping our emotions stable, ensuring our physical, mental, and spiritual wellbeing is in finetuned flow, and by lending a forcefield of protection and positive energy, we can feel free to move authentically through this world.\nDetails \u0026amp; Sizing\n\nHardcover: 128 pages\nAuthor: Judy Hall\n",
