

Introducing the Elysian Plant-based Kitchen Bar, A Plant-Based Heaven in the Heart of Cyprus? Capital

May 09, 2022

May 09, 2022 -
Nicosia, Cyprus: Located in Cyprus? beautiful capital, the Elysian Plant Based Kitchen Bar is a plant-based haven that celebrates healthy deliciousness. This must-visit restaurant in Nicosia offers a unique culinary experience for all health-conscious food lovers on the island.

The menu at Elysian is a feast for the senses, featuring classic toasties, hot meals, alternative gyro and burgers, tasty salads and superfood smoothie bowls. From signature vegan hot dogs to mouth-watering vegan patties, there's something to please every palate. Plus, most ingredients are sourced from the finest local vendors, making every bite bursting with freshness and flavor.

The Elysian Plant Based Kitchen Bar brings to Cyprus the best vegan culinary trends. New plant-based recipes are constantly being added to the menu to offer customers the most innovative healthy dishes on the island. Classics like burgers and gyro are given a plant-based twist, exciting even the most demanding customers. A review on Google mentions, ?Though I am not a vegan or vegetarian, the mushroom gyro was

awesome! The staff is very friendly, and you do not need to wait long for the requested meal.?

The restaurant's stylish design is also a big hit, with many guests commenting on the relaxing atmosphere. ?Terrific place! Most fantastic gluten free food I've ever tried, pleasant staff, great design,? says a happy customer on Google reviews.

The owners of Elysian Plant Based Kitchen Bar are committed to providing healthy and delicious plant-based food to everyone who wants to live and eat healthily. That's why everything on the menu is made from the freshest, seasonal ingredients, with an emphasis on using local produce wherever possible.

With a focus on providing holistic dining experiences, the restaurant organizes exclusive food events, like bottomless brunch, tapas nights, vegan social nights or music nights. They are open every day and cater to dine-in and take-out customers. Enjoy the music filled atmosphere with a cocktail in hand, or order takeaway to enjoy in the comfort of one's own home.
