Online Multiplayer Game Giant FaceIT, Lets Esport Players Win Crypto Thanks To Cake DeFi

May 10, 2022

Santa Clarita, California - May 10, 2022 -
Santa Clarita, California. Defi-gamefi.com has released a report the new relationship between FACEIT and Cake Defi. FACEIT has today announced a multi-million dollar partnership with Cake DeFi, one of the world?s fastest growing crypto fintech platforms, which allows users to earn cash flow from their crypto. Facilitated by Pivot Agency, the collaboration will provide Cake DeFi with authentic brand exposure to all FACEIT users globally through a series of bespoke and multifaceted gaming experiences which will offer the community a chance to win crypto. This year Cake DeFi will be offering players more than half a million dollars in prizes, paid in crypto.

?We see another opportunity for our gaming defi audience to make money doing what they love,? states Raul Meza, content director at Defi-gamefi.com. ?That?s what we do here at Defi-Gamefi. We keep our ear to the ground and bring our gaming audience the insider scoop so they can monetize. We believe that this new deal between FACEIT and Cake DeFi has potentials that they are not disclosing yet. So you can trust us that we are going to keep our ears and eyes out to see what else they release.?

The partnership with FACEIT marks Cake DeFi?s first move into the gaming and esports space. The agreement will offer the company access to FACEIT?s 25 million user base, the largest network of competitive gamers, and will offer players a unique opportunity to earn actual crypto prizes while playing. Furthermore, through Cake DeFi?s platform and access to decentralized finance applications, they can compound their winnings and earn returns on their crypto.

GameFi and Metaverse tokens offer investors the opportunity to earn high returns through their unique gaming and virtual world platforms. These tokens have the potential to revolutionize the online gaming industry and are already being adopted by some of the largest companies in these sectors. Phemex realizing this have made the effort to cater to the gaming and investing community.
