?Psychedelic Show?

By Artist & Playmate Miss November 2015, Rachel Harris

Art Exhibition

At: The Well, LA

1006 S Olive St

Los Angeles, CA 90015

December 11th, 6:00pm

Long before Rachel Harris was a famous model, she was an up and coming passionate LA artist. It wasn't until she was suddenly discovered by manager, Heidi Cortez that her life turned muse. Cortez met Harris at her first solo art debut, which unsurprisingly was a huge success selling out all 16 large-scale abstract works on her opening night. It's no wonder Miss Harris has become extremely popular amongst both art collectors and celebrities, flying around the world on modeling assignments and commissioned art projects.

This SOLO Art Show will be consisting of Harris' 14-16 large-scale abstract original pieces. Art ranging from 5 - 12 feet on hand built canvas. The show is inspired by Psychedelic Rock, consumed with thick texture and bright colors.

Meet The Artist: The event will begin with personal collectors, art critiques and end with an attendance of celebrities, socialites and taste-makers. The evening will be covered by photographers and magazines, as well as an open bar and have notable DJ's and musicians.

Playboy is undergoing a massive rebranding strategy. Harris being a talented artist and the current Miss November, she represents a major step in the direction that Playboy is now going. For this reason it is expected there will be additional press surrounding this event.

The Well has collaborated and hosted many events for talented and celebrity clients. Party photos from previous events at The Well can be seen on their facebook:
