May 19, 2022 -

Today ManageByStats held a launch event to announce their new service, ManageByStats Capital. ManageByStats Capital is a funding solution for Amazon sellers, which provides options such as Working Capital, Daily Advance, Global Digital Wallet and Business Prepaid Card. This new offering from ManageByStats positions them to help Amazon sellers in yet one more way critical to their daily and long-term operations. Founded seven years ago ManageByStats provides a comprehensive suite of software tools for the automation and management of an Amazon business, along with complimentary services such as the new ManageByStats Capital.

?Our audience is Amazon sellers,? says MBS CEO, Philip Jepsen. ?This is who we serve. Our ?people? you might say. Amazon accounts for a very large percentage of all online retail, and we focus on providing those sellers with the tools and the services they need to succeed. We?re very excited to now be offering funding solutions for that audience with ManageByStats Capital.?

The new ManageByStats Capital solution for Amazon sellers is powered by SellersFunding, an all-in-one financial solution platform designed for growing ecommerce merchants. ManageByStats Capital will offer

options for things like Working Capital, so sellers can get quick access to capital they need to grow, Daily Advances of up to 90% of previous day?s sales, a Global Digital Wallet which allows sellers to receive payment in 180+ countries and multiple currencies, along with a Prepaid Business Card.

?This is a full-service solution,? says Mister Jepsen. ?It?s exactly the sort of thing Amazon sellers need, and a great new compliment to our suite of services and tools. ManageByStats Capital gives sellers the confidence and the resources they need to expand their Amazon business on their terms.?
