Winner Of Hygen X V Ray Sanitizer Giveaway Announced

June 07, 2022

LAFAYETTE, CO - June 07, 2022 - PRESSADVANTAGE -

Lafayette, CO based Encore Data Products is pleased to announce the winner of their HygenX Vray Portable UV Sterilizer and VCLAW Bundle giveaway ? congratulations to Sylvia L. of Charles R Hadley Elementary School in Miami, FL The portable UV sterilization device and positioning claw made by HamiltonBuhl, which are normally priced at \$390, are great for a variety of uses, and the lucky winner will be going home with their very own set for free. Sylvia responded with "Thank you for my gift of the HygenX Vray Portable UV Sterilizer and VCLAW Bundle. As a Kindergarten teacher, this will be wonderful in my classroom. With the spread of so many viruses lately, I will be able to keep Community tools sanitized." The bundle is also available for purchase on Encore?s website (with a massive discount when buying in bulk).

The high intensity portable UV-C sterilizer kills over 99% of all bacteria easily, quickly and safely. It sterilizes objects and surfaces, including everyday items such as those used in classrooms, offices and homes. The giveaway bundle includes a free V-Claw along with the V-Ray Sanitizer. The bundle includes everything a user might need to start using the device immediately after charging.

"Congratulations to the winner of our HygenX V-Ray giveaway," says Encore Data Products. "Our winner will be going home with one of the most advanced portable sanitation devices on the market. We hope to continue to have giveaways in the future where we can share some of our best products with our loyal customers. Stay tuned for more giveaways and information on any other events that we might be hosting. Encore Data Products is, as always, committed to getting you the products you need. It is our distinct pleasure to create opportunities for you to get your hands on some of our best innovations for free."
