

DIP YOUR RIDE

Dip Your Ride Now Offering Vinyl Wraps In San Diego

November 10, 2015

November 10, 2015 - PRESSADVANTAGE -

San Diego ? Dip Your Ride San Diego, a division of Dip Your Ride LLC, has announced that it has launched a new service offering full vehicle vinyl wraps. Dip Your Ride San Diego believes that vinyl wraps are more affordable for vehicle owners in San Diego to make their vehicles look great and unique.

San Diegans now have the opportunity to get a brand new looking paint job, custom tailored to fit their personality, while saving thousands of dollars off of a traditional paint job. The vinyl's protective layer also keeps car paint in pristine condition, which protects the stock paint, which increases resale values.

?We love the fact that we help people totally reinvent themselves,? adds Tony Boucher, President of Dip Your Ride LLC, ?cars should be as unique as our customers are.?

Dip Your Ride San Diego prides themselves in their skill at turning customer visions into a reality. Matt Brister, Dip Your Ride customer service advocate said that, "Having a variety of different colors, ranging from chrome to brushed steel to gloss and matte finishes, is critical to making customer expression a reality."

Vinyl wraps can be applied to most parts of a car including roofs, spoilers, hoods, and interior. Liquid wraps will work on rims and grills.

Customers can find out more about how Dip Your Ride can customize their car or extend the longevity of their paint on their website at www.dipyourridesd.com or by contacting Tony at Dip (760) 613-2996 or dipyourridesd@gmail.com.
