Hilton Head, SC - Hilton Head-based beauty company Lashes n? More showcases its expertise in brow waxing to its growing number of clientele in the area.

The company gains many patrons with its extensive list of services, including brow waxing. Waxing is a quick and efficient way of removing hair around the brows to achieve the desired thickness, shape, and arch. In addition, they keep their waxing treatments reasonable and strive to make the experience as painless as possible, which makes them the Best Brow Waxing Services in Hilton Head, SC.

Lashes n? More recommends brow waxing to offer a flawless eyebrow shape. Aside from aesthetics, the procedure results in softer and thinner-looking brows when the hair grows back. It also prevents ingrown hairs and shaving rash. The brow expert says waxing also works like exfoliation. They help get rid of dead skin cells, which can cause breakouts, pimples, and dryness.

?We are entirely committed to providing our clients with the pampering that they need. As a result, we exclusively use high-quality materials and follow strict waxing methods,? says Irina Rudman, founder and

owner of Lashes n? More.

Rudman received various training on brow procedures from Russia and South Korea. With her experience, Lashes n? More customers enjoy a unique combination of techniques from both beauty havens.

The Professional Waxing Services in Hilton Head, SC also offers brow lamination perm for the eyebrows. It sets and keeps the shape of one?s brows for several weeks. Brow lamination is similar to a lash lift, except that instead of curling your brows, a setting lotion is applied to keep the brow hair straight and in place for six to eight weeks.

Additionally, the lash expert has helped and assisted many women and men with their eyelash extension goals. Aside from Brow Waxing and Brow Lamination, they offer Classic Lash Extensions and Volume Lash Extensions, Lash and Brow Tint, Lash Extension Removal, and Lash Lift.

?We strongly care about keeping natural lashes healthy. That?s why we use top-quality products and a proper lashing technique. We treat each client as special and take into account everyone?s eye shape, lifestyle, and personal preferences to create lash looks that are uniquely yours,? says Irina Rudman.
