While we mainly cater to the people of Abilene, we are continuously expanding our service locations and are glad to help our neighbors in surrounding areas. Those living 50 miles from Abilene can still rent from us, and all we ask is just a small travel fee. Book now, and we'll deliver the fun!"

The range and quality of party rentals provided by Jumps and Tents for Events LLC have earned the company a lot of praise from their community. Jumps and Tents for Events LLC boasts a perfect 5 out of 5 Star rating on their Google profile from over 150 reviews. One customer writes, "This was our second time renting a bounce house with a slide for our son's birthday. Both times, we have been extremely happy with the service we've received! Communication from beginning to end was excellent, and everyone we dealt with was great - especially the young men who set up and took down the bounce house. I highly recommend Jumps and Tents!"

In another review, a customer says, "Thanks to everyone at Jumps and Tents for coming through at the last minute again. Our family rented a venue nearby, and it wasn't equipped with enough tables and chairs. We looked up "table and chair rentals near me" online around 3pm on Friday. Within an hour, we were picking up about a dozen tables, and around three dozen chairs. They even offered to come in on Saturday if we still needed more items. We'll definitely recommend this small business to anyone needing any items for rentals. Thanks again." Read more reviews here: <https://g.page/jumpsandtents?share>.
