June 01, 2022 - PRESSADVANTAGE -

S&P Dumpsters, a company based in Temple, TX, is pleased to announce that they are offering their dumpster rental service in Killeen, Texas, and surrounding areas. This is a vital service because renting a dumpster is the most common waste disposal option for residential or commercial projects in Killeen because it offers a fast and convenient way to eliminate the resultant waste or discarded items. With the professional dumpster rental service they provide for Killeen, homeowners and businesses are able to implement a convenient waste removal process without breaking the bank or the process taking too long. More about this can be gleaned from <https://www.spdumpsters.com/dumpster-rental-killeen-tx/>.

Patrick Rayson, owner of S&P Dumpsters, says, "The biggest factor that would prevent a homeowner or any other renter who needs a reliable way to dispose of waste from renting a roll off dumpster is the belief that it is difficult to get one affordably. However, as a professional dumpster rental in Killeen, we offer everyone in our community affordable dumpster options at flexible rental terms. We have various size dumpsters that anyone one who needs to rent a roll-off dumpster in Killeen can choose from. S&P Dumpster Rentals proudly offers reliable dumpster rental services to all customers in Killeen and the surrounding areas."

S&P Dumpsters makes available a simple and easy to use online booking system that customers can use to rent a dumpster online at anytime they want, at their own convenience. The waste containers can be used for any residential or construction clean up. And they provide comprehensive, professional, and personal customer service and it's their mission to make the whole cleanup process affordable, efficient, and reliable. Their bins are the ideal waste containment and removal solution for junk and waste of all types. Customers can be assured that they'll receive their bin on time and that the S&P Dumpsters team will always be available should customers have any questions throughout the waste removal process.

S&P Dumpsters has two sizes of roll off dumpsters available for rent: the 15 yard dumpster and 20 yard dumpster. The 15 yard dumpster measures 8 feet in width by 14 feet in length by 4.5 feet in depth and can contain approximately 6 times that of a pickup truck load. It is suitable for relatively small projects, including: repair of a sidewalk or driveway; clean out of a huge room, such as a garage, bedroom, basement, or attic; removal of waste and junk from the yard waste; removal of flooring, walls and carpet; and various kinds of home renovation projects, such as the remodeling of a laundry room; installation of kitchen cabinets.

The 20 yard dumpster measures 7.5 feet in width by 14 feet in length by 6 feet in height. It can contain about 8 times that of a pickup truck load. This is often used for home remodeling and construction projects, including yard cleanups, renovation of the master bedroom, kitchen remodeling, garage clean outs, basement clean outs, attic clean outs, and other similar projects.

Founded in 2020, S&P Dumpsters is ready to provide the best dumpster rental option for homeowners and business owners for their next project. They are a locally owned and run business that's proud to provide leading quality dumpster rentals, dependable service, and affordable costs to the communities they serve. We make eliminating your unwanted scrap simple, simple, and hassle-free. They frequently deliver their waste management dumpster rentals to house owners for cleanout jobs, house remodeling and restoration projects, landscaping tasks, and more. They also serve many commercial and contractor clients who depend on them to provide their dumpsters when and where they need them.
