

Dumpster Rental Service Extended To Fishers, IN

May 31, 2022

May 31, 2022 -
IN based Salty Dog Trash is pleased to share that their services include the residences and businesses of the Fishers, IN community. Specializing in rapid delivery no matter what size dumpster is ordered or where the customer is located, the company says anyone can conveniently book one of their dumpsters by visiting their website or calling their customer service line. See more here: Dumpster Rental Service Fishers Indiana.

Salty Dog Trash provides dumpsters for customers in a variety of situations, from those who need to get rid of several years? worth of accumulated junk in their attic or basement to those in the middle of a home improvement project that has generated vast piles of debris. In fact, the company also works with contractors since removing construction debris on time is essential to maintaining a tight schedule. Given every other challenge businesses have had to deal with in recent times, the company says, there is no reason for them to add any more obstacles by allowing junk or debris to slow them down.

Homeowners will find that Salty Dog Trash is similarly strict about being on time when it comes to their residential customers. While the company acknowledges that the stakes are generally much lower since homeowners are less likely to be at financial risk if their project falls behind, they say that this is no reason to

reduce their standard of service. As such, homeowners who need a dumpster delivered will find it arriving in the designated window as expected, and replacement dumpsters will similarly be dispatched if requested. Whatever a homeowner or business? objective, the company wishes to ensure that trash, junk or debris removal does not cause them any undue stress. Once they are called upon to help, Salty Dog Trash will take care of it.

Customers in Fishers may order any of four varieties of dumpsters: the 15-yard dumpster, 20-yard dumpster, 30-yard dumpster and 40-yard dumpster. They are all equally sturdy, designed to contain several tons without issue, and customers are advised to pick a size based on the amount of junk their project is estimated to generate. Each dumpster can be rented for a total of 14 days, but the company says additional days may be allocated for a small fee.

Reviews for the company are highly positive. In his Google review, Greg E. advises everyone in his community to, ?Please do yourself and/or your business a favor by utilizing this company for all of your waste and removal needs. I?ve never rented a dumpster before, and was unsure of the process and the headache, but Salty Dog Trash made this so simple, anyone could do it! From the online ordering process, to Becky in customer service, to the truck driver, A+ in my book. I will absolutely refer Salty Dog to any friend or organization I come in contact with. Thank you all for providing such a great service!?

Joshua F. is exuberant in his praise of the company?s work. Their review says, ?Salty Dog Trash is amazing! I called needing a 30-yard dumpster for a project, and it was delivered first thing the next morning. I filled it up sooner than I thought, and their staff had it replaced and ready for me to use the next day. It's so hard to find a company that actually makes you feel appreciated as a customer. Definitely a customer for life!?

The company believes that keeping customers happy should always be a priority for their team, so every member of staff at Salty Dog Trash goes the extra mile to ensure this. Whether this involves accommodating a customer who is outside their regular service area or discussing the customer?s situation at some length to help them decide which dumpster is right for their needs, the company will put the customer first at every opportunity.

Salty Dog Trash can be reached via phone or email, but Fishers customers who know exactly what they want are welcome to use the company?s online booking portal to rent a dumpster at their convenience. Conversely, should a customer be unsure about their order or wish to clarify anything else with a company representative, they may contact Salty Dog Trash through their preferred means (including social media).
