As with any rental the company provides, the bounce houses are professionally set up and taken down after the event, and every rental is always properly stored and maintained. The company is fully licensed and insured, and their equipment meets all safety standards and regulations set forth by the State of Texas. For instance, the team goes through great lengths to ensure that all of the equipment is fully inspected, clean and sanitized in between rentals. The company also has a fair-weather policy as well, as Texas weather can always be a factor when scheduling a bounce house rental in the near future and beyond. Customers can cancel any time before the rental arrives due to poor weather, following which they may receive a rain check that can be applied towards a future rental. The rain check is good for up to one year.
