Nicosia, Cyprus: Infident Dental Clinic, a trusted name in Cyprus for general and cosmetic dentistry services, is proud to announce its repertoire of treatments for all types of dental care. Their dental services for a healthy and beautiful smile include top-notch Invisalign treatments, crowns and bridges, veneers, tooth extractions, children dental care and general dentistry. The wide variety of services means that even more people can benefit from the high-quality, affordable dental care that Infident provides.

Since opening its doors 20 years ago, the clinic has been a mainstay of dental care in the city of Nicosia and has helped countless patients maintain their oral health over the years. Today, Infident Dental Clinic Nicosia features one of the most modern facilities in Cyprus with state-of-the-art dental equipment, including digital X-ray imaging, 3D CAD/CAM technology, and an in-house dental laboratory.

In over two decades, the local dental clinic with its experienced dentists has become the place to go for the Cypriot society for all their dental needs. The dental practice brings together skilled dentists with extensive

knowledge in every discipline and speciality of dentistry, led by Dr Stella Papadopoulou Adamou, a certified dentist in general dentistry.

Infident Dental Clinic has been deservedly renowned as one of the best dental clinics in Nicosia, having treated complex dental cases with success. It is the best choice for patients who want to receive comprehensive, high-quality dental care and friendly service.

As a testimony to its success, Infident Dental Clinic has been consistently rated as one of the best dental clinics in Cyprus, featuring thousands of satisfied patients over the years. The clinic is recognized as a pioneer in the field of dental care and is committed to providing its patients with the latest advances in dental technology and treatments. This dedication to excellence has made Infident Dental Clinic the go-to choice for patients in Cyprus seeking the best possible care for their oral health.
