

EPS Landscaping & Tree Service Provides Top Quality Service

June 10, 2022

Pembroke Pines, Florida - June 10, 2022 - PRESSADVANTAGE -

EPS Landscaping & Tree Service, a landscaping company based in Pembroke Pines, Florida, has announced that they have a variety of landscaping services available to residents and businesses in the Broward County area of Florida. EPS, which stands for Empire Property Services, has a full suite of landscaping services available, including design and installation of hardscaping, retainer walls, sod, and more. As a landscaping business in Florida, EPS Landscaping specializes in ?Tropical Landscaping?, which fits Florida?s humid climate beautifully, and features plants with large, vibrant leaves, water features, lava rocks, and island style decor. The company can even design and install landscaping for swimming pools and other water features, such as fountains or waterfalls. Once a landscape has been installed up to their client?s tastes, EPS Landscaping can also perform landscape maintenance to keep the landscape and the plants in it looking their best.

EPS Landscaping also provides a variety of tree services for Pembroke Pines and area clients. Tree services includes everything from tree planting to tree cutting, including trimming, pruning, and otherwise maintaining the trees on a property. The company can also move trees, or remove unwanted trees, safely and with the tools and experience necessary to avoid damaging the tree or the surrounding property. Especially when a

tree is dead, ill, or posing a significant safety hazard to nearby people and structures, it is important for trees to be removed by professionals who have the tools and experience necessary to do the job correctly. EPS Landscaping can remove trees using the latest techniques for safe tree removal, and has plenty of experience in doing so. They even have the special equipment necessary for removing and grinding down tree stumps to prevent further root growth after the tree has been cut down. If someone needs a tree removed quickly, such as after a storm has damaged a tree, EPS Landscaping & Tree Services can provide emergency tree removal services, which may be covered by homeowner's insurance.

Past customers of EPS Landscaping & Tree Services have been happy with the company, with all 12 reviewers on Google Maps leaving 5 star reviews. Reviewers frequently mention the great service provided by Jessica and Greg, with one recent review reading, ?This is the best company! Jessica is very professional and responsive and Greg is very honest and reliable. He came out quickly with his guys and made our yard look amazing! I am so glad I found them. I will be using them for all my lawn care needs and highly recommend them.? Other customers have similar sentiments. Another recent review, from a customer named Gina, says, ?I called EPS Landscaping and Tree Service to trim my palms ahead of the last tropical storm. Not only do my palms look fantastic, I didn't have to be out after the storm picking anything up from my yard. The team was knowledgeable and courteous, and customer service is exceptional. Greg and Jessica will take care of you the right way!? These reviews show that EPS Landscaping has excellent customer service and the skills to do the job well, and maintain the landscapes in their area consistently.

With their extensive experience and strong reputation, homeowners and residential property owners can rest assured that EPS Landscaping & Tree Services will take care of their needs with regard to landscaping, trees, lawn maintenance, and more in the Pembroke Pines area. Businesses in Broward County can also benefit from EPS Landscaping's commercial landscaping services, which can help businesses and commercial properties put their best foot forward from the moment people set eyes on their property. EPS Landscaping can take care of plants and maintenance for companies, and greatly improve the draw of the business just by adding a few plants or shrubs to the front.
