

Pacific Haven Resort Waterfront Resort Releases The First Scuba Diver Academy In Vanuatu

November 10, 2015

November 10, 2015 - PRESSADVANTAGE -

Pacific Haven Resort Limited, a Vanuatu Investment Promotion Authority approved company, has released the first dedicated scuba divers academy within a resort site in The Republic of Vanuatu, located on the shores of Teouma Bay just 13 minutes from the capital Port Vila.

The Pacific Haven Resort will be a luxury waterfront tropical resort that should appeal to sun seekers and to scuba divers worldwide. This project is designed to be an intimate eco-tourism tropical retreat that is mainly suitable for adults. It is complemented by individual free-standing waterfront bungalows (locally called farés) of a different tropical design described as 'upmarket tribal' totally in keeping with living in the tropics. This will be a marine waterfront holiday destination that offers relaxed luxury and tranquility. The resort will provide a stunning and remarkable 22 meter pool complemented by a 45 seat restaurant and bar, tropical landscaped gardens and of course the dedicated scuba academy compound, all so close to the magnificent azure waters of the Pacific Ocean.

The natural beauty and charm of this private cove on the south west portion of Efate Island is giving an unparalleled backdrop to the location of Pacific Haven Resort that will have just 23 x 1-bedroom farés spread

along the shoreline as well as resort site, set amidst manicured tropical gardens assuring privacy, seclusion and intimacy. Pacific Haven Resort Limited is now selling bungalow and land packages currently offered for sale off plan, the land titles are produced and builders are ready.

Pacific Haven Resort will be developed successfully with a franchise agreement that has been created with the most successful scuba dive company in the South Pacific: Pro-Dive, that has over 40 years trained an amazing 400,000 divers and escorted 4 million on dive and reef excursions.

Richard Butler, Pacific Haven Resort Project Manager, developer of waterfront projects since 1980 and Trade Commissioner for Vanuatu to Australia May 2012 to May 2015, recommends now is the time to invest. With the new 18 million dollar Conference Centre nearing completion and \$60 million upgrading of the international airport and \$88 million cruise boats and containers terminal seaport under way, there is almost \$500 million is being spent on new infrastructure in Port Vila, the capital on Efate island.

Pacific Haven Resort when completed will have the required standard resort amenities as well as the scuba academy, spa, tour desk, airport pickups, the restaurant will aim to serve examples of the best seafood within the South Pacific. This Resort property developer's mission will be to offer the best and most unforgettable experience for all scuba divers and those who want to learn to scuba dive someday. Pacific Haven Resort Limited promises and looks forward to offering the most relaxed, private and sophisticated holiday experience.

The management of the Pacific Haven Resort is now encouraging everybody to invest in the Republic of Vanuatu, which welcomes your investment and can qualify you for permanent residency if required, from the property purchase. The developers offer a 7.5 percent rental income return warranty with 10 year lease back prices is all \$199,950 USD in the first 7 poolside release.
