LimoRSVP, a limousine business in Deerfield, IL, has added a new and improved online booking system to its website. The company, which offers a business class, corporate limo service, felt that their previous booking form was not up to standard. "We believe in offering the best possible service to each of our clients," says Bud Hicks from LimoRSVP. received. "Without a doubt one of the best limo services I've used," says B. Kirch from Chicago, IL who is a returning customer. "On time, always reliable, friendly, safe, knowledgeable service."
