November 13, 2015 - PRESSADVANTAGE -

Pelican Reef Villas, a small hotel in San Pedro, Belize, is now offering Belize beach wedding packages. These packages actually include a Belize honeymoon as the entire wedding will be spent on what can only be described as paradise on earth. The package includes everything needed to make beach wedding dreams come true.

"Belize truly is like heaven on earth," says Lori Drake from Pelican Reef Villas. "Our hotel wants to welcome couples who want to tie the knot on our beautiful shores. All they need to bring is the dress for the bride and we will take care of everything else."

The Pelican Reef Villas is a small resort, recently named one of the best in Belize by Trip Advisor. Because of their smaller site, they offer a more intimate feel to their Belize honeymoon packages than other providers. Their 'Barefoot in Belize' beach wedding package includes all the important elements to organize the perfect wedding and honeymoon. It comes with five nights accommodation in one of the hotels luxury beach front view suites for two, domestic air and ground transfers, a welcome package, a full marriage license, registrations, a personal wedding coordinator, a minister or Justice of the Peace to conduct the ceremony,

certified copies of the marriage documents, a bridal bouquet and groom boutonniere, and the beach ceremony itself.

"The ceremony will be held with a circle of love," explains Lori Drake. "This is a circle made from freshly picked local flowers and beautiful conch shells. To make the wedding even more perfect, we include a 6 inch wedding cake and bottle of champagne, as well as a private beach or balcony dinner for two. This is true romance."

As the package includes a five night stay, it automatically includes a honeymoon in Belize. Belize is becoming increasingly popular as a romantic getaway. It is not, as such, the place to find love but rather the place to go to celebrate love in style. The rest of the honeymoon can be spent in the glorious comfort of the Pelican Reef Villas, taking part in the various activities they have to offer.
