

Proactive Healthcare Recruiters Is Looking For An Outpatient Physical Therapist At Fredericksburg, VA

November 07, 2022

Virginia Beach, Virginia - November 07, 2022 -
Healthcare executive search firm Proactive Healthcare Recruiters has announced that it is currently looking for candidates to fill the position of Outpatient Physical Therapist at Fredericksburg, VA.

The position is open in an outpatient podiatrist clinic serving the Greater Fredericksburg community for over a decade. The job listing was published on Proactive Healthcare Recruiters? website on November 4th, 2022. The position pays anywhere from $65,000 to $85,000 per year, based on the candidate?s experience and skill set.

The ideal candidate for the position will be required to evaluate and treat patients with various impairments while providing high-quality care focusing on patient satisfaction. The job responsibilities include developing and implementing physical therapy programs that focus on the individual, working directly with patients on a 1:1 caseload, evaluating the effects of therapy and communicating the patients' progress, recording and documenting patient care services, and collaborating with other team personnel for providing the clinic?s patients with well-rounded care. The clinic says that applicants should be able to handle a physical workload, build rapport with patients, and have excellent written and verbal communication skills.

Regarding licensing requirements, applicants must have a current Virginia Physical Therapist license. The clinic welcomes newly graduated applicants and seasoned physical therapy veterans with several years of experience in the field. Some of the perks offered by the position at Rappahannock Foot & Ankle Specialists that make it an enticing proposal include health insurance, dental insurance, paid time off (vacation), a retirement plan, and a flexible schedule.

A spokesperson for Proactive Healthcare Recruiters talks about the open position and the podiatrist clinic where it is currently being offered by saying, ?If you are a licensed physical therapist in the state of Virginia, this could be your new home base to build a long and fulfilling career. You will get a chance to be a part of a close-knit group of service providers that the local Fredericksburg community has loved and respected for many years. You can head to careers.proactivehealthcarerecruiters.com, to get an overview of the services they offer and the challenges that await you there. We look forward to hearing from you.?

Along with physical therapy, our client also provides specialized treatment and diagnosis for Achilles tendon, ankle instability, ankle sprains, arthritic foot & ankle care, athletes foot, bunions, calluses, corns, crush injuries, diabetic foot, sports medicine injuries, poor circulation, infections, custom orthotics, foot pain, flat feet, fungus toenails, geriatric foot care, hammertoes, heel spurs, heel pain, ingrown toenails, injuries, neuromas, plantar fasciitis, warts, wounds, pediatric foot care, fractured foot & ankle bones, and more.
