

Las Cruces, NM Facility Now Hiring Outpatient Physical Therapist

November 21, 2022

Virginia Beach, Virginia - November 21, 2022 - PRESSADVANTAGE -

Virginia Beach, VA-based healthcare recruitment agency Proactive Healthcare Recruiters is looking to fill the role of Outpatient Physical Therapist at a Las Cruces, New Mexico facility. The Proactive Healthcare Recruiters' team has experience recruiting executives and staff-level talent for medical facilities and hospitals across the United States and is dedicated to helping such facilities build a great team. For more information, please visit <https://www.proactivehealthcarerecruiters.com/physical-therapy-jobs-las-cruces-new-mexico/>.

James Pemberton, CEO and founder of Proactive Healthcare Recruiters says, "If you are looking for an excellent physical therapist job, you can join the team of dedicated physical therapists serving the Las Cruces, New Mexico community for over 20 years. This facility is locally owned and is looking for a physical therapist to provide exceptional care for their patients at an outpatient manual therapy clinic."

At this facility, physical therapists will provide direct physical therapy services in accordance with licensing requirements for orthopedic and neurologic conditions. The facility's therapists have been trained and completed the Certification for Manual Therapy through The North American Institute of Orthopedic Manual

Therapy. The New Mexico clinic is dedicated to developing master clinicians by providing advanced training for complex conditions.

Those who join this facility have access to several benefits, such as a Competitive Medical Plan including a Dental Plan and a Vision Plan, a 401(k) Retirement Savings Plan, Paid Time Off, and Holiday Pay. The facility also provides access to Continuing Education programs, including but not limited to APTA Membership (with licensing fees for qualifications and requirements), Bachelor's, Master's, or Doctor of Physical Therapy from an accredited program, and more. On top of this, the facility also offers relocation reimbursements.

Those applying for the position are expected to have excellent communication skills and be willing to work with a Spanish-speaking population. The facility prefers applicants to have experience in an orthopedic clinic emphasizing manual therapy; however, the position is open to applicants with other experience.

Proactive recruits healthcare professionals for healthcare companies across the country in settings that include (but are not limited to) hospice, rehabilitation centers, sub-acute facilities, and home healthcare facilities. They exclusively look for licensed, highly skilled, and well-experienced healthcare professionals to fulfill positions in healthcare facilities across the country.

Pemberton says, "At Proactive Healthcare Recruiters, we know how important it is that healthcare teams across the country have the best recruits possible, and to that end, our team is comprehensive in its efforts. We work hard to ensure that both the client and the candidate are delighted with the match. If you want to speak more about how we can help you find the ideal candidate for your workplace or if you are a healthcare professional looking for the ideal team to work with, feel free to get in touch with us at any time."

Proactive Healthcare Recruiters provides services targeted not just at physical therapists but also at healthcare executives, occupational therapists, speech therapists, sales and marketing professionals, healthcare information management professionals, healthcare IT professionals, and high-caliber nurses.

Thomas, a candidate who worked with Proactive Healthcare Recruiters, says, "Proactive contacted me as a recruiter in the healthcare industry, and from the first contact with me, through the interview process and eventual hire date, they were consummate professionals. They know their client's needs well and did a terrific job of coaching, supporting, and guiding me through the interview process while keeping the important channels of communication flowing with the employer and their client. I wholeheartedly recommend Proactive as a recruiter from either a client/employer or potential employee perspective."

Those who want to learn more about Proactive Healthcare Recruiters and their range of services should visit the company's official website at the following link: <https://www.proactivehealthcarerecruiters.com/>. The website has a contact form that can be used to get in touch with their agents and provides a facility to schedule calls. Alternatively, interested parties can reach out to James Pemberton via email or phone. Proactive Healthcare Recruiters also maintains a presence on social media, and users can find them on Facebook, Twitter, Instagram, and LinkedIn.
