In a recent review, Nayna C. gave them a five star rating and said, ?I worked closely with Eric, Carly and the rest of the Home Cash Guys team on this transaction. They are truly professionals. They were excellent when it came to following up and responding to my inquiries. The HCG team was very sensitive and accommodating. They helped me stay on track in spite of all of the distractions. Thank you HCG Team! I look forward to doing more business with Home Cash Guys!?

Greg Yuter, founder and CEO of the Home Cash Guys, says, ?We are very happy to have received such a rave review. It shows that we are on the right path in our efforts to ensure that all of our clients are well taken care of, and that all of their real estate needs and expectations are met or even exceeded.?

Homeowners and other property owners who want to sell a house to Home Cash Guys will simply need to follow four easy steps. The first step is to go to their website and click on the ?Get an Offer? button on their home page and then provide answers to a few questions regarding their house or property. Step 2 is where Home Cash Guys will assess the information provided and the community and local market where the property is located. For the third step, they may want to actually check on the property after they which they will make a quick and fair cash offer on the spot. And the fourth and last step is where they will work with the

home seller in developing a win-win deal that will fit the schedule of the home seller and provide the necessary cash. Those who are interested in getting updated regarding developments about Home Cash Guys can check out their press releases, such as their recent release that can be accessed at https://www.pressadvantage.com/story/50909-home-cash-guys-offers-help-to-distressed-home-sellers.

They want to point out that homeowners who have a property that requires a lot of repair need not worry about spending on repair because they are ready to buy all kinds of houses in any condition and any price range. And no fees will be charged and that includes no real estate commissions.

Started in 2006, Home Cash Guys has been buying and selling hundreds of homes since then and have served hundreds of satisfied customers. They are willing to pay cash for all kinds of homes and will help the property owner in finding the appropriate solution for any issue that they may have. Their capability to buy homes directly and to make cash offers, implies that they would be able to close fast, which is what many home sellers want. Sellers will also have the benefit of having more money in their pocket because they don?t have to pay any commission and Home Cash Guys will be the one to pay the closing fees. They properties that they buy are all redeveloped and renovated, which means that they are helping to revitalize communities and encourage home ownership in Philadelphia. Although they mostly buy single family homes, they may also buy other kinds of properties.

Those who are interested in selling their house in Philadelphia for cash and in as short a time as possible can go to the Home Cash Guys website at home-cash-guys.business.site, or contact them on the telephone or through email.
