London, England - June 28, 2022 - PRESSADVANTAGE -

Bus tour company Hop On Hop Off Paris has announced that they have tours available in Paris, the capital city of France, for visitors to the city to see many of the top attractions in the city, from important landmarks like the Notre-Dame Cathedral to some of the city's world renowned museums for art and more. Hop On Hop Off Bus Tours offers easy and affordable tour options for tourists who want to get the most out of their visit to the City of Light but don't want to put the time and effort into researching and planning every detail of their transportation or destinations. They accomplish this by operating a fleet of buses in and around the city, following designated routes with stops at all the most popular landmarks in Paris.

As the name implies, Hop On Hop Off Bus Tours let their guests hop on or off the bus at any stop they please, and take as much time as they want to explore any and all of the destinations along their route. Customers purchase a 1, 2, or 3 day pass to a Paris open top bus tour, and then spend those days exploring the city as they please. While on the bus, guests can listen to pre-recorded audio guides using devices available on the bus or an app they can download to their phone, if they prefer. For tourists who love using their phones, Hop On Hop Off Bus Tours also accepts mobile vouchers on many of their tours, as indicated on the website. With over 300 destinations, Hop On Hop Off Bus Tours is dedicated to providing seamless, exciting travel experiences to visitors of cities around the world.

In Paris, the Hop On Hop Off Bus Tour options include Open-Top bus tours on double decker buses, so visitors to the city can get the best possible views of sites like the Eiffel Tower and the Arc de Triomphe while moving from stop to stop, and night tours that showcase the City of Light in full glory. An Express Paris Bus Tour option gives visitors a chance to see all the major attractions of the city in just 2 hours, during which time they can still hop on and hop off the bus for the duration of their ticket. Discovery Bus Tours are available with 24, 48, or 72 hour tickets, giving customers the option to spend one to three days discovering the beautiful city of Paris and all its stunning landmarks as fast or slow as they want to. Discovery Bus Tours can also be combined with the Paris By Night tour, the Paris Kids Panoramic Bus Tour aimed at making the city exciting for youngsters, and Seine River Cruises so guests can see the city by water as well.
