London, England - June 28, 2022 - PRESSADVANTAGE -

Barcelona sightseeing bus tour company Hop On Hop Off Bus Tours has announced that they have a number of tours available in the Spanish city of Barcelona, offering visitors to the city a convenient and affordable way to see all the most popular tourist destinations in the capital city of the Catalonia region of Spain. Surrounded by hills and sea, Barcelona is thought to be one of the most beautiful cities in Spain. With a ticket to a Hop On Hop Off Bus Tour, customers can spend one or two days exploring the city at their own pace, taking Hop On Hop Off's iconic double decker open top buses from one great destination to the next and listening to pre-recorded audio guides explaining all the landmarks along the way. As the name suggests, guests on Hop On Hop Off bus tours get to hop on or off the bus at any stop at any time during the duration of their ticket. This gives them the convenience of a pre-planned tour route with the flexibility of doing things on their own.

On the Turistic City Sightseeing Barcelona Bus tour, visitors can pick between three routes, the Red, Blue, and Green lines, each with a different focus. The Red line visits locations important to Catalanian culture, as well as some of the modern amenities of the city, so visitors can learn about the history and what life is like there. The Blue line celebrates the work of Antoni Gaudi, a famous architect who lived and worked in Barcelona. The Blue line also includes a stop at the Barcelona Football Club for the sports fans who want to see where star player Lionel Messi plays. The third route, the Green line, stops at gorgeous Mediterranean

beaches, along with views of some of the most modern buildings in the world in District 22. The audio guide on these tours is available in a number of languages, including English, Spanish, Dutch, Hebrew, Japanese, Portuguese, Catalan, and many more. As an added bonus, infants tour free.

Another excellent option is the Barcelona City Tour, which has two routes with over 30 stops that cover all the top attractions in the city. On this tour, the pre-recorded audio guide is available in 15 languages, and can be listened to on a device provided on the bus, or from a mobile app that can be downloaded onto a visitor's phone. The Barcelona Hop On Hop Off City Tour has two routes: the East / Green route and the West / Orange route, with both routes meeting in the middle at Plaça Catalunya. Each full loop takes around 2 hours of bus riding time to complete, with buses running every 30 to 40 minutes. The East / Green route stops at such attractive sites as Museu d'Història de Catalunya, Park Güell (a UNESCO world heritage site), and the world renowned Sagrada Família, the forever unfinished cathedral designed by Antoni Gaudí. Meanwhile, the West / Orange route visits Barcelona's own Arc de Triomf, the Caixa Fòrum-Pavelló Mies Van Der Rohe, and Casa Batlló, a modern and fantastic mansion that's also been recognized as a UNESCO World Heritage site. Tickets for this tour also come with a discount coupon booklet for sites and businesses around the city.

The Barcelona City Tour can also be combined with other exciting experiences, including an Eco Catamaran cruise, the Camp Nou experience, and a visit to Barcelona's aquarium. The Catamaran cruise is a one hour catamaran ride along the Barcelona coastline featuring stunning vistas of the city and the Mediterranean Sea. The cruise can be reached from a couple of stops along the tour, making for a delightful excursion from the bus. Camp Nou, meanwhile, is the top rated home stadium of Barcelona Football Club, and guests of the Camp Nou Experience can tour the stadium, visiting symbolic areas of the stadium as well as the commentary boxes, press room, and television studio.
