

Sorvita Announces New Spring Special On Popular Chewable Probiotic Supplement

March 16, 2015

March 16, 2015 - PRESSADVANTAGE -

HOUSTON, March 10, 2015 - Sorvita Nutra Products has announced a new spring special on their chewable chocolate probiotic supplement. To help introduce new customers to the benefits of this popular product, Sorvita is offering customers a \$10 discount on the purchase of one bottle. This promotion will be available from March 1, 2015 until March 31, 2015 for customers who purchase this product on Amazon.com and use coupon code PROBCHEW at checkout.

Sorvita's sugar-free chewable probiotic supplement includes six different live non-dairy probiotic strains, and a broad spectrum of digestive enzymes. The company reports that each tablet of this chocolate flavored product contains 1.5 billion Colony Forming Units.

"We are really excited to be able to offer this special coupon promotion on our popular chewable probiotic supplement," said Mike Alderfer, CEO of Sorvita Nutra Products. "Our customers have been raving about how much they love the chocolate taste."

Numerous reviews of the product by Sorvita customers are available on Amazon.com. The supplement currently has a five-star rating on Amazon with reviews such as,

"It actually tastes REALLY good. It reminds me of chocolate 'astronaut' ice cream, if you've ever had that."

"I have been using this product for several weeks now and I absolutely love it."

"I love these. They are easy to take and they are a great way to get loads of good bacteria into your system."
